The review fee for all R&L students is \$85.00. The review for non-students is \$85.00, plus non-students must have the current Robbins & Lloyd sales course textbook, which can be purchased for \$75.00.

A student may attend as many review weekends as he/she wishes for the one-time payment - however, there is a limit of one year following the date of certification for students and one year from the 1st review for non-students. It is not a requirement to have completed the course to attend the review. Many students have come to the review prior to completing the course and then again when they are ready to take the exam. Students taking the broker exam have returned for parts of the review with no additional charge.

Materials needed for the review:

1. Your Robbins & Lloyd Real Estate Sales Course book
2. Highlighters (suggest different color's than used to mark book earlier)
3. Calculator
4. Pen and/or pencil.

*** You may bring your lunch or go out to lunch. There is a soda machine. ***
